

EXCELLENCE

AG Group's passion and dedication allows us to continuously strive to satisfy our Clients and Stakeholders, identifying trends, anticipating change and offering innovative and experiential products and services. We offer an entrepreneurial approach with nimble and defined processes, relying on the strength of our team players.

PERFORMANCE

AG Group's focus on excellence depends on achieving high performance, ensuring enhanced value for our constituents and remaining true to our promises.

INNOVATION

AG Group views innovation as a key aspect in the development of our business, offering an opportunity to create value for our Clients and Stakeholders, improve client experience and innovative business operations.

SUSTAINABILITY

AG Group is committed to protecting the environment and incentivizes sustainable practices in the various components, especially in relation to our newest properties, including the implementation of an ethics agreement to contribute to a responsible business culture.

YOUR
GATEWAY
TO ITALY

COMMUNITY SUPPORT

AG Group is committed to transforming lives through social programs and community support, helping to touch more lives and make a bigger impact on the world.

AUTHENTICITY

AG Group is true to its land and its culture, representing the best of what Italy has to offer.

UNIQUE EXPERIENCES

AG Group offers guests an abundance of unique experiences to inspire, delight and bring joy.

LOCAL & ARTISANAL

AG Group is committed to working with local purveyors and artisans as a reaffirmation of the group's investment in Italy.

DIVERSITY & INCLUSION

AG Group is proud of its commitment to empower its highly diverse staff, including a majority of women in senior management roles, by guaranteeing an equal opportunities workplace where people of all ages, genders and cultural backgrounds can contribute to decision making.
