### **GALLERIA VIK MILANO**

*Via Silvio Pellico, 8, Milan*

Located within the Galleria Vittorio Emanuele II, Italy's oldest shopping mall, this luxury hotel features 89 uniquely designed rooms and suites overlooking the glass-vaulted arcades of the Galleria, with its many prestigious shops, cafés, and restaurants. Each room contains installations by Italian, Uruguayan, Chilean, and other international artists. Walls are finished in stucco Veneziano, a luxurious Italian design technique, with 20 color variations that complement the decor. The property features singular bathrooms—some are site-specific art installations.
