Galleria Vik Milano is Vik Retreats' first hotel in Europe, and brings the best of the South American-based brand to the fashionable Italian city. Indeed, the location really can't be topped, as the hotel is situated within the Galleria Vittorio Emanuele II. The five-story property is composed of 89 carefully renovated suites, with bold pops of color as well as works and installations by both Uruguayan and Italian artists. You're right in the heart of Milan, so there's no shortage of delightful restaurants, but that doesn't mean you shouldn't check out the hotel's dining options, including VIK Pellico Otto.
